## Adjustable Power Rope

**\$17.90**  
LIST

Count time, skips and calorie consumption with this patented power jump rope. Just

enter your weight and rope will automatically tell you how many calories you burn in each workout. The handles are foam cushioned for a secure grip and rope is adjustable from 10' down to any size. When you start jumping the counter and timer will start automatically. If the alarm is set to a predetermined time, it will beep to tell you the segment is over and will then give you calorie consumption.
